

## The NEW duo.helloV2 High Impact "all in one" exhibition kit

That's right! The shipping case converts to into a counter and holds 2 retractable banner stands.

This solution offers maximum exposure for your brand and an optimized work area for your sales people during presentations, training seminars, road shows, recruiting or internal events!

### EFFICIENT

The exterior case is molded polyethylene: a strong, lightweight and shock resistant material. This "all in one" solution contains 2 retractable displays.

### PORTABLE

With its wheeled transport solution, the duo.helloV2 is perfect for business and exhibit presentations. The efficient design compliments transportation by plane, train or automobile.

### ACCOMPLISHED

Setting up the duo.helloV2 is quick and effortless with maximum graphic exposure. The duo.set is adjustable graphically from 31 1/2" x 39" up to 90"; the duo.match 33 3/8" x 80"

# duo.hello V2

To catch the eye • To hold the attention • To enhance the effect • To tease the curiosity  
 ▶ Let the graphic for itself and Convey the message

The exterior case and corrugate wrap come together to create the perfect work environment for presentation and exhibition materials: brochures, laptop or LCD screens.  
 The corrugate is connected using the aluminum slider bar and will support up to **150 lbs** when complete.
